RE: Union Carbide, UMETCO Surety, ACT/037/043, San Juan County, Utah

I spoke with Carol Dudnick on September 6, 1984 who works for the Union Carbide Corporation at their corporate offices in Danbury, Connecticut, at their law department. She is revising a Mined Land Reclamation Contract I sent to her in July. She said they have had a reduction in force recently, but hopes to have something ready for the October Board Hearing.

I will telephone her again in late September.
